

ITEMS DISCUSSED AT THE NOVEMBER 2010 BRISTOL RAMBLERS COMMITTEE MEETING

Financial Position

We have more money allocated for the next financial year than we had previously expected meaning that we should have no shortage of funds.

RA Safeguarding Policy

Walk leaders should be aware that The Ramblers have a new policy for safeguarding children and vulnerable adults. For details see:

RA Business Plan 2010-11

This plan has just been issued. For details see:

2010 AGM

There will be snacks available and also copies of the Bristol Ramblers walks booklets

The main topic to be discussed at the AGM is the future policy for distribution of news to members.

Also the preferences for evening walks (one or two evenings / week; locations of walks) and Sunday afternoon walks (lengths and locations).

BRISTOL RAMBLERS WALK PROGRAMME

This will now be produced every 4 months. It is hoped that walks planned for future programmes will be available on the website as they are agreed. This will enable walk leaders to see what is already planned.
