Walk Grades and Description

There is considerable variation in walk difficulty within the grades, particularly in A & B. If you are in any doubt and/or would like to try a different grade please contact the leader to discuss.

C (Easy) - Walks on reasonably level ground and at an easy pace.

B (Moderate) - Walks which include some hills.

A (Strenuous) – Generally harder than B walks at a faster pace which may include harder hill climbs.

HW (Hill Walks) – Walks at a faster pace, some up to 4000ft and beyond of ascent, sometimes on rougher/wilder terrain. Less likely to have a pub stop.

BHW (B Hill Walks) - generally more strenuous than a B walk with elevation tackled at a slower pace than A hill walks.

Evening walks - between 3-7 miles, longer walks marked (A) are faster. Usually Tues are in the city and Thurs outside Bristol.

Meeting Place for Sunday walks
